I have my Harley up for sale. It's only got 9000miles on it. Brand new tires front and rear 96 in.<sup>3</sup> motor I put Rinehart exhaust pipes on it which sound and performs really nice I put different levers on the handlebars for the brake and clutch. I put a cargo organizer in the trunk to hold all of your stuff also put one up front where the dash and the windshield is I've done no motor work to it motor is fresh with only 9000 miles on it which is like brand new bikes been garage kept never been outside overnight only reason why I'm selling the bike is because we got our kids into riding dirt bikes and four wheelers so that's where the money is going to go. I'm willing to trade for cash and dirt bikes or four wheelers if someone has any. Also I put a brand new Harley Davidson battery in it with a quick disconnect charger. The bike is really nice one other person has owned it besides me I have the title in hand clean and clear Colorado title. Call me if you have any questions 719-429-0995 James
