Hello! I am currently attending Aveda Arts & Diences Institute Covington. From now until my graduation date in May 2022, I have an open book for clients. My school offers a variety of services such as dyes, highlights, cuts, styles, and nail / face beauty. I have some free model appointments still open as well as \$25 off service cards for new guests (all services are discounted price because we're a school). Feel free to message me with any questions—

thanks
